Report of Principal and School Improvement Council

Sampit Elementary School is a community, rural school with nearly 400 students. We are very proud of our students, our community, our faculty and staff, and our campus. Our school is rich in heritage and serves students in Pre-K through grade 5. We teach our children at Sampit to be successful in both academics and in their quest to become confident and productive members of society.

Sampit Elementary seeks to create a culture of learning with a comprehensive curriculum that encourages students to strive for excellence at every developmental level, have high expectations, and become self-motivated. Educational and emotional needs of the students are met through small class sizes, a comprehensive reading program, innovative approaches to mathematics education, cross curricular connections, and scheduling that allows for the continued professional development of the staff.

All students are immersed in rich literature available at the individual student's developmental level through the 100 Book Challenge Reading Program. Through modeling, coaching, and discussion, students are equipped with a wealth of strategies they can use to add to their reading fluency. Strong unit planning strategically integrates both social studies and science with the students' literature study.

Opportunities for students' continued growth and development are provided through technology, music, art, and physical education. The mathematics curriculum provides the students with concrete, tactile learning in math instruction. The Everyday Math Program furnishes the students with an array of manipulatives and tools which they use to solve problems based on real life situations. The spiraling curriculum uses games for continued practice so that the children can begin to apply what they learn during investigations and explorations. The level of instruction is highly challenging and encourages cooperative learning experiences.

Academic success is a top priority for all of our students. We realize the powerful potential for improving student performance when the home, school, and community join forces for the good of our children. We believe in providing parents with resources to help their children learn at home. To assist our students with academic needs, we continue to offer in school tutoring. Additionally, we continued the Response to Intervention (RtI) and Project READ programs to support needs in reading. Our teachers were involved with the Professional Teaching and Learning Cycle (PTLC) process to enhance planning and instruction.

The parent, community, and school partnerships are crucial forces our children need to be successful in life. This year we had many parents and business partners working with us for the benefit of our children. They came and read with the children. They donated time and money to support several student awards and incentives. Working together we can make our school a success!

School Adequate Yearly Progress YES

This school met 17 out of 17 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
